Mike,

It was great talking with you again and thank you for your help. On a separate note, I wanted to reach out because our office is co-hosting a Southern California District Director Network Meeting & Luncheon on Wednesday, August 29. The Southern California District Director Network (DDN) is a professional support network for all Democratic Caucus District Directors in the greater Southern California region. This is an opportunity for us to showcase our district and I was wondering if the DCBID would be able to provide some tote bags and or giveaways for those in attendance. We are expecting about 45 people to attend. I can definitely arrange for someone to pick the items up on Monday, August 27<sup>th</sup> or Tuesday, August 28<sup>th</sup>.

Thank you in advance for your consideration of this request and please let me know if you have any questions or need any additional information.

Best,

**Lizeth Zardeneta**
